ASCA sanctioning pending
The trials will be held under the current rules and regulations of ASCA inc.

October 7-10, 2021

Judges: Maarten & Sandra Zilch

Important announcement:
please provide, together with your entry forms, one or several contact informations of family and/or friends we can contact, in case of an accident. Thank you.

a.m. & p.m. Trials sanctioned
same dog can only run twice a day in the same class, when additional runs are available on day of trial.

Attention
Please stay with your dogs on the roads in the wood and do not let them run in the wood!
The wood AND also the road behind the trial arena are private property. We have been asked to make sure that people do not walk through the wood with their dogs.
We are reliable on the good will of the owner who allows people to drive to the trial ground and also park there on the road.
And we also have to live here and we really want to keep the good relationship.
Which includes that you also make sure that your dogs do not bark all the time!!!
Thank you
